

A vibrant summer-themed poster for a pool opening. The background is a light blue pool with darker blue water. In the top left, there's a red, white, and blue striped beach umbrella. To its right, a green palm frond hangs over the pool. In the center, two colorful lifebuoys (one blue and red, one yellow and red) float on the water. On the left side, there are two slices of watermelon and a pair of red flip-flops. The pool's edge is lined with blue mosaic tiles. The text is centered in the lower half of the image.

# Ouverture
